**Background:** The Procurement Consultant while preparing the Request for Proposals for the subject scheme, revealed that the system design provision in the PC-1 doesnot meets the requirement of 1KW offGrid Solar system having less quantity of Solar PV Panels i.e 370Watts instead of 1000Watts, do not have the provision of Installation related material (PV Mounting Structure, Cables, Breakers, fuses, DB Boxes etc). The Costing in the PC-1 was done accordingly. However it is mutually agreed that the RFP should be prepared as per design requirement of 1KW system.

**Current Status:** RFP for the submission of Technical and Financial Bid as per design requirement of 1KW was issued to the prequalified contractors. Financial bid of above mentioned Technically Qualified bidder/contractor was opened. The financial bid of Rs. 223.00(M) submitted by M/S ENERGY CONCIIOUS ENGINEERING (PVT) LTD JV TANGSHAN HAI TAI NEW ENERGY TECHNOLOGY CO. LTD is approximately 135.97% above the E/Cost.

**Recommendation:**  
In accordance with the Clause IB. 30.1 of the bidding documents, the financial bid of Rs. 223.00(M) submitted by M/S ENERGY CONCIIOUS ENGINEERING (PVT) LTD JV TANGSHAN HAI TAI NEW ENERGY TECHNOLOGY CO. LTD in accordance to market rate analysis is hereby recommended for approval for the award of contract.

**\*Price Quoted by M/S ECE is 223,000,000 in Financial Bid, While Evaluating Financial Report Rupee 50 Found more than the Quoted price, however the bidder round off the price amounting to RS.223,000,000. therefore their financial bid accepted on the quoted price.**
