All Bidders of Consultancy Services/OE

This is with reference to your proposal submitted to QA Solar. The technical proposals opened on 9th December, 2013 were subsequently evaluated thoroughly by the technical committee and approved by the Procurement Committee of the Board. The following is the result of the evaluation:

- | | | |
|--|---|----------------------|
| 1. M/S Lahmeyer International | } | Technically accepted |
| 2. M/S Fitchner GmbH & Co. / Nespak JV | | |
| 3. M/S ILF Consulting Engineers | | |

One bidder, M/S 8p2 Germany, had withdrawn its bid prior to evaluation. All others were evaluated as technically non-responsive. Result will also be communicated individually on the given email addresses.
